

Multiplication • 2-Digit by 2-Digit

1				1	8	2				2				2	2
				x											
5					7	3									
				x											
					6	5									
6					2	4									
				x											
					7	0									
7					1	9									
				x											
					1	4									
8						4	0								
				x											
					8	0									
9					2	4									
				x											
					8	1									
10					1	3									
				x											
					3	9									
11					1	1									
				x											
					8	2									
12						2	1								
				x											
					9	9									
13					6	1									
				x											
					4	9									
14					4	6									
				x											
					2	9									
15					4	4									
				x											
					1	0									
16						2	5								
				x											
					4	1									
17					1	0									
				x											
					3	0									
18					4	1									
				x											
					4	1									
19					9	2									
				x											
					6	1									
20						2	8								
				x											
					2	1									
21					4	1									
				x											
					3	7									
22					6	0									
				x											
					7	2									
23					5	4									
				x											
					2	7									
24						2	3								
				x											
					6	2									
25					7	7									
				x											
					5	3									
26					7	8									
				x											
					7	3									
27					2	9									
				x											
					8	8									
28						8	2								
				x											
					1	1									
29					8	4									
				x											
					2	6									
30					3	9									
				x											
					8	2									
31					3	7									
				x											
					7	4									
32						4	3								
				x											
					4	6
